*Engineering Firm O'Donnell & Naccarato
Names Stephen B. Dellinger Project Executive*

O'Donnell & Naccarato is pleased to announce that Mr. Stephen B. Dellinger, AIA, has joined the firm as Project Executive, concentrating his efforts and expertise in O'Donnell & Naccarato's newly launched parking division. He will be based out of the Philadelphia, PA office.

Responsible for all aspects of construction design projects for O&N's parking division, Dellinger has extensive experience in project management, functional design, architectural design, site analysis, code compliance, architectural detailing, specifications, signage and more.

With over 30 years of experience in the field of architecture, Dellinger served as project manager for the two-garage Philadelphia International Airport expansion, including a 1,500-space garage, a 3,500-space garage, two pedestrian bridges and a 7,500-square-foot administration facility. He also served as project manager for a 1,600-space facility for Merck & Co. in West Point, PA; and an 800-space facility for NASD in Rockville, MD. He has participated in all aspects of parking design and construction for a variety of clients in the corporate, health care, commercial, governmental and educational arenas.

A graduate of Georgia Institute of Technology with a degree in architecture, Dellinger served in the U.S. Navy as a shipboard engineer in Viet Nam and earned the rank of Lieutenant JG. A native of Washington, DC, he lives with his wife Lynne and his son Bradley, in Glenside, PA.

O'Donnell & Naccarato, a 90-member firm, provides consulting engineering services and professional project management services. For more than 50 years, the firm has been recognized among owners, architects and contractors as an engineering and owner's-representative organization committed to professionalism and excellence. In O&N, clients find a partner who can accurately evaluate situations and deliver innovative and cost-effective solutions. Headquartered in Philadelphia, it has offices in Bethlehem, PA; Princeton, NJ; Washington, DC; West Palm Beach, FL; and Orlando, FL
