### **O'DONNELL & NACCARATO PROJECTS RECOGNIZED IN YEAR-END ENGINEERING AWARDS PROGRAMS**

O'Donnell & Naccarato, the Philadelphia-based consulting structural engineering firm, closed a strong 2007 with several projects honored in regional professional award programs. The firm consulted on a range of projects that garnered honors announced during the fourth quarter, including:

- At its 2007 Parking Innovation and Design Awards, The Pennsylvania Parking Association gave O'Donnell & Naccarato its Award of Excellence for additions and improvements to the Drexel University Parking Garage.
- The Pennsylvania Society of Professional Engineers awarded Third Place in its 2007 Outstanding Engineering Achievement Awards on the CBS Viacom Headquarters (Philadelphia), a project on which O'Donnell & Naccarato consulted.
- In its "Best of 2007" issue, *Mid-Atlantic Construction* magazine gave an Award of Merit for Adaptive Reuse to Harrah's Chester Casino & Racetrack (Chester, PA), and Award of Merit in the High-Rise Residential category for 1352 Lofts Condominiums (Philadelphia). The firm worked on both projects.
- The Pennsylvania Council Society of American Registered Architects (PA SARA) bestowed an Award of Merit for the Performing Arts Center at Shannondell (Audubon, Pa.), a structure on which O'Donnell & Naccarato consulted.

"Being selected by our industry peers, those who have firsthand knowledge of our work, truly validates the efforts of our entire team," said Nick Cinalli, president and CEO, O'Donnell & Naccarato. "Consistently achieving this level of recognition demonstrates our commitment to providing the highest quality service."
