SCOTT M. BAUER, PE, SECB PROMOTED TO PROJECT EXECUTIVE AT O'DONNELL & NACCARATO

Philadelphia, PA: O'Donnell & Naccarato, a Philadelphia-based consulting structural engineering and parking consultation firm is pleased to announce Scott Bauer's promotion to Project Executive. As Project Executive, Mr. Bauer is responsible for general project overview, involving fee generation, system selection and layout, detail development and design review. He is also responsible for overall project organization, creativity, economy and technical accuracy.

Having begun his career with O'Donnell & Naccarato as a CADD Technician in 1992, Mr. Bauer has been an employee of O'Donnell & Naccarato, Inc. (O&N) for more than 15 years. Scott Bauer became a Project Engineer in 1998 and then was promoted to Project Manager in 2004. He has worked on many notable projects including the Walnut Towers Expansion (Wills Eye Hospital) in Philadelphia, PA; the Lehigh Valley Hospital Cedar Crest Campus Expansion in Salisbury Township, PA; 401 Plymouth Office Building (home of Brandywine Realty) in Plymouth Meeting, PA; Morris Union Jointure School in Warren Township, NJ; and the Camden Community College Expansion in Blackwood, NJ. Mr. Bauer was part of the original staffing at O'Donnell and Naccarato's Lehigh Valley office, and took on a leadership position there before transferring to Washington D.C., where Scott helped bridge the transition when O'Donnell and Naccarato acquired a new office there in 2004.

Mr. Bauer graduated from Drexel University in 1998 with a Bachelor of Science degree in Architectural and Civil Engineering. He is certified as a registered Professional Engineer in New Jersey, Pennsylvania and Virginia. He maintains professional affiliations with the Delaware Valley Association of Structural Engineers (DVASE), Delaware Association of Professional Engineers, and is a member of the Post Tensioning Institute. He currently resides in Philadelphia, Pennsylvania.

About O'Donnell & Naccarato For more than 50 years, O'Donnell & Naccarato has been recognized for its expertise in designing and managing projects of all sizes, types and levels of complexity. O'Donnell & Naccarato also offers parking consultant and facade restoration consultant services. Based in Philadelphia, the consulting structural engineering firm maintains offices in the Lehigh Valley (PA); Princeton, NJ; Washington, DC; and affiliate offices throughout Florida.
