**O'Donnell & Naccarato Promotes
Douglas Seiboldt, PE to Project Executive**

(Philadelphia) -- O'Donnell & Naccarato, a Philadelphia-based consulting structural engineering firm, is pleased to announce Douglas Seiboldt's promotion to Project Executive.

As Project Executive, Mr. Seiboldt is responsible for general project overview, including fee generation, system selection and layout, detail development and design review. He is also responsible for overall project organization, creativity, economy and technical accuracy.

Mr. Seiboldt was promoted from his role as Project Manager at O'Donnell & Naccarato, a position he has held since May 2005. He has worked on many notable projects including the Terminal D/E Expansion at the Philadelphia International Airport, the University of Maryland Medical System Ambulatory Care Center in Baltimore, MD; and Villanova University's new law school building in Villanova, PA.

Mr. Seiboldt received a Bachelor of Science degree in Architectural Engineering from The Pennsylvania State University in 1992, and a Master of Science degree in Civil Engineering from Northeastern University in 1999.

He is certified as a registered Professional Engineer in Pennsylvania, New Jersey and Massachusetts. He maintains a professional affiliation with the Delaware Valley Association of Structural Engineers (DVASE).

About O'Donnell & Naccarato For more than 50 years, O'Donnell & Naccarato has been recognized for its expertise in designing and managing projects of all sizes, types and levels of complexity. O'Donnell & Naccarato also offers parking consultant and facade restoration consultant services. Based in Philadelphia, the consulting structural engineering firm maintains offices in the Lehigh Valley (PA); Princeton, NJ; Washington, DC; and affiliate offices throughout Florida.
